

SUMMER CAMPS

The First Tee

Looking for something the kids can do this summer that is both fun AND educational? The First Tee Summer Camp at Dulles Golf Center & Sports Park may be just what you're looking for! In addition to learning fundamentals of the golf swing and the game, during the summer camp your child will be introduced to our character education and life skills programs that help kids and teens prepare for success at school, at home and in their community. Lessons are offered, in a fun, activity-based, group setting with trained coaches. At The First Tee, golf is more than a game. The First Tee Summer Camps introduce your child to life skills that will help them both on and off the golf course----all while having fun!
